

Mortgage Loan Originator (MLS) Review Course

The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) requires all mortgage loan originators (MLOs) to pass the SAFE Mortgage Loan Originator (MLO) Test, which includes a national component and a state-specific component. This Mortgage Loan Originator Review Course has been designed to prepare you with the knowledge you need to pass the national component of the MLO Test. It includes clear, succinct discussions on the topics from the national MLO Test outline - federal mortgage lending-related law, mortgage industry terms and concepts, the loan origination process, and ethics.

When you attend the course you will receive the National Mortgage Loan Originator Review Book, the National Mortgage Lending Exam Prep software CD and the California specific Exam Prep software CD.
